

TAN PENG CHIN LLC BECOMES EXCLUSIVE SINGAPORE LAW FIRM TO JOIN NETWORK OF EUROPEAN LAW FIRMS

Tan Peng Chin LLC is pleased to announce that it has become the first Asian law firm to become a member of Eurojuris International with effect from February 2008.

Eurojuris International is the leading network of law firms in Europe covering 610 cities in 30 European countries. All Eurojuris law firms are well established and reputable firms in their community. They are carefully selected and abide by defined quality standards relating to fees, legal expertise, mandatory professional indemnity insurance, knowledge of at least one foreign language, promptness and confidentiality.

In a world without borders, enterprises have to face legal and judicial problems which go beyond their traditional environments. Despite increased international relations which have made the world considerably smaller, laws still differ from one country to another. To address this, Eurojuris has adopted a unique style of partnering law firms whom they know and trust and have monitored to be the best equipped to ease the burdens of such cross-border or foreign law issues.

Through Eurojuris, businesses have access to thousands of lawyers in hundreds of cities throughout Europe and other parts of the world, each one able to draw upon the strength of the group to ensure that work is handled efficiently, effectively and most often, locally; no matter where the problem may arise.

Thus, in addition to law firms from the 27 European Union's member countries, Eurojuris also enjoys cooperation with firms in Argentina, Brazil, Ecuador, Israel, Mexico, Serbia and Montenegro, Turkey, Ukraine, USA and now, for the first time, in Singapore.

We believe that by being a member of this prestigious network of law firms, Tan Peng Chin LLC would be able to offer our clients even better international coverage than what we are already doing now.
